RE: Hazardous Waste Facility Permit # OSO 062284 002
McDonnell Douglas - Tract I, St. Louis, MO

MOD 000 818963

Dear Mr. Haake:

Your recent letter requested an extension to the deadline for
submittal of your permit renewal application. In accordance with
40 CFR 270.10(h) as incorporated in 10 CSR 25, the deadline is
extended to March 1, 1994.

For sake of documentation, I must inform you that failure to
submit the permit renewal application by March 1, 1994, is
grounds for permit denial and possible enforcement action.

If you have any questions regarding the information requirements
for the permit renewal application, please contact Mr. Steve
Jaques at (314) 751-3176.

Very truly yours,

DEPARTMENT OF NATURAL RESOURCES
